High School Trustees Warned To Send Notices Prior To Meetings

San Diego County Legal Council warned Grossmont High School trustees that due notice must be given newspapers and other news disseminating media preceeding board meetings.

A meeting was called hurriedly last week by Grossmont Superintendent Lewis Smith, to discuss annexation of the L.G.-S.V. Mt. Miguel High School site to the Helix Irrigation District was the point in case.

Smith said that the district discovered Monday that no water was available for construction purposes at the high school's site on Sweetwater Road. Bid openings are scheduled for August 6 and assurance was needed that water would be available before bids could be completed, Smith pointed out.

The meeting was hurriedly called on Monday to permit action in time for the Irrigation District meeting on Tuesday. Meeting notices to the press were overlooked in the rush Smith said.

Palmer Svalstad, 7536 San Miguel, Lemon Grove's representative on the high school board said that he did not attend the meeting because of the "pressure of personal business." He said that neither he, nor the rest of the board of superintendents would take part in the "secret" meeting intentionally.

Present at the "hurried" meeting were Lester Freeman, Rex Hall and Mrs. Charles Goode.

The California Government Code requires public bodies to give 24 hours written advance notice to news media. There is no penalty involved for failure to perform.

Republican Club Revived in Lemon Grove

Revival of the Lemon Grove Republican Club came last week when William Shearer, candidate for State Assembly, told a group of Lemon Grove party workers of the need for better precinct work in the coming election.

Meeting was held in the home of Mrs. Amy Sonke, 8296 Golden Avenue.

The group named Roy Erwin, 1827 Golden Avenue, as temporary chairman. Erwin is president of the Lions Club.

Republicans will join efforts locally with the Lemon Grove Republican Women's Club for a public meeting to be held at the Junior High School Cafetorium Monday, August 20 at 7:30 p.m.

Dr. Frank Lowe, Republican Central Committee member, will be keynote speaker and will talk on good, old-fashioned Republican principles.

Grove Girl's Prize Is Studio Tour

As part of the prize for winning the title "Miss Lemon Grove 1956," Carole Wilson earned a trip to Hollywood for a visit at Warner Brother Studio.

She is pictured chatting with Anthony Caruso on the set of "Buffalo Grass" which stars Alan Ladd, Virginia Mayo and Edmund O'Brien.

Miss Wilson also had lunch in the studio's famous Green Room, eating place of Warner players.

Larwood Park Will Add 700 Homes To Monterey Hgts.

—L. G. Camera Foto

Larwood Park, Lemon Grove's newest subdivision, is now being readied for an ultimate 700 homes, with 60 homes starting construction this week.

A. E. Watwood, president of Larwood Company, founded in 1944, the man behind the gun in this latest development, outlined his plans Friday when he took this reporter on a short tour of the tract in his Cadillac—(boy, is that a smooth-riding car)—gave a short sketch of his activities in the realm of real estate. He has six projects in process of completion in Los Angeles area at present.

The name Larwood is derived from the former partnership of Larrabee and Watwood, which partnership was dissolved some time ago, but the members are still friends, hence LAR and WOOD, giving a name to a 200-acre tract that will soon have more than 600 homes, with streets, sewer lines, sidewalks and curbs and all utilities installed and included in the price paid.

The northeast corner of the tract starts at the corner of Taft Street and Canton Drive, right at Monterey Heights School. Canton Drive will be graded and paved down the hill to Imperial, forming the northern boundary of the subdivision, which will be divided into 600 to 700 lots, and extends southward to Lisbon Street, an extension of Jamacha Road to Encanto.

Mr. Watwood had been fishing out in the ocean the day before, said he caught ten good-sized beauties which he presented to his friends, and was cleaning the trunk of his car when we arrived. He invited me into his office, where a map was spread showing an attractive layout.

Bulldozers were at work smoothing out that corner of the project, streets inside the area have been rough-graded. The Stewarts' home on the crown of the hill, original owners of the property, will be moved to another lot.

Prices of homes, complete with improvements, will start at $16,500 and selections of lots may be made now. From our viewing of the property we would suggest that now is a good time to make reservations, and get your choice.

The smallest of the lots is 66 feet wide, running to 90 feet in width, by 110 to 200 feet deep. Gently sloping hillsides, facing east and west, make the choice interesting, like when you go to buy a necktie and the clerk lays out a dozen or more, and you pick one and then another before deciding.

Small down payments, and GI or non-vets terms may be arranged, with payments monthly of $100, including taxes.

It is planned to start sales on August 12.

Don't forget, these homes will be three-bedroom, two-bath affairs, with oak flooring throughout.

Unless something develops requiring part of this project to annex to San Diego, because of sewerage, Mr. Watwood stated emphatically that all of Larwood Park would remain in Lemon Grove School District. That's good news for Frank Armstrong and the rest of our school board. —D. H.

Couple Comes to Visit—Buys Business—Stays

A Paso Robles couple who came here for a short visit has become a permanent fixture in Lemon Grove, and have purchased a service station in Monterey Heights.

The couple, Mr and Mrs. V. E. McKay, 1724 Colfax Drive, have bought the Union Service Station at 1859 Englewood Drive.

They said they would continue to offer Union products and would give, free of any charge and without obligation, the best service possible.

The McKays sold their 220 acre ranch in Paso Robles in order to reside here. They had a 65 cow dairy and 120 acres of alfalfa.

"We fell in love with the town and are here for keeps," they said.

New Hospital Wing And Reduced Taxes Possible Says Dist. Exec.

A new wing for the Grossmont District Hospital which will provide 78 additional beds is being planned by the hospital directors.

Pereira and Luckman, Los Angeles architects who designed the present building are preparing the plans.

No additional tax levy nor tax increase will be necessary if voters would permit the directors to use $30,000 which has been accumulated during the building and 11 months of operation of the hospital.

The district had previously indicated a reduction of the 20c tax rate. The new construction would still permit a reduction to be made.

Louis Peelyon, hospital administrator said that a reduction of 10c per $100 assessed valuation still "looked good" even with the expansion.

State and federal aid, for which the hospital is high on the priority list, would have to be forthcoming in order to make good the lower tax commitments, Peelyon said.

STATE ALLOCATES $450,000 FOR NEW JR. HI SCHOOL

More than $450,000 was allocated to Lemon Grove for the new Intermediate School by the California State Department of Finance and the school will be put up to bid this year, Paul Reynolds, business manager of the Lemon Grove Elementary School District, reported Tuesday after he returned from the Finance Department's Allocation Board meeting in Sacramento.

The new school, to be located on the 18.6 acre former West property, will provide 8 regular class rooms, an industrial arts room and a home making room. The West property is at the east end of Palm St.

A multi-purpose room and an office room will be part of the new structure.

This 10 class room school will accommodate 300 children and it will be ready for occupancy in approximately 12 months.

Reynolds said the district would maintain two Junior High schools in the future. Some of the students now attending the intermediate school on School Lane will be transferred.

Reynolds said the allocation to the exact amount of $450,107.19 is a virtual grant since the district already is bonded to capacity, and has an existing loan under the State School financing program. Both conditions are requirements to qualify for the allocation of funds the District was required to make no additional contribution and it will now be necessary for an election to be held whereby the electors of the school district must, by a two-thirds vote, authorize the acceptance of the state loan.

Approximately one hundred school districts in the State of California were allocated 28 million dollars in school construction funds at the July 25th meeting. Whereas the El Cajon District as well as Lemon Grove received an allocation, The La Mesa-Spring Valley School District was not successful in their attempt to obtain an allocation.

The School District is required to make repayments on this loan in any year in which other loan repayments fall below the equivalent of a 60-cent rate for such purposes. Since the School District has received a previous loan under Chapter 1389, the abovementioned allocation will result in a virtual grant to the School District, Reynolds said.

THINGS DOIN' & BREWIN'
About Civic Center

By DICK HENDERSON

Five written protests were read and three live protestants voiced their objections, all to no avail, at the hearing on July 24 meeting of board of supervisors of Assessment No. 54 for the construction of sewers, manholes and appurtenances in Vale View Drive, et al., Vista, 1911 Act Unincorporated Area 27. The protestants were a unit in declaring their assessments were too high, the benefits to be derived too small, the terrain too rough to allow more than one dwelling site, etc.

Public works engineers told the board that all angles had been considered, that the benefits would be worth the cost, and the board ordered the hearing closed and passed the resolution.

Hearing of George Adams, subdivider of Melrose Terrace, appealing the planning commission recommendations concerning the tentative map of said subdivision, was continued one week. Seems to be some argument between George and a neighbor about a 30 foot piece of road and where it and another road should go. This here new subdivision is in the neighborhood of Winter Gardens, between Bostonia and Lakeside, right along one side.

The morning session's time was close to running out, but as Carroll Smith, chief deputy county counsel and H. P. Requa, acting assessor, had been waiting to be heard for more than an hour, Chairman Bird asked other members of the board (Gibson was absent) if they would mind putting off their lunch for a few minutes while they heard an important matter. Austin shook his head "No" reluctantly, and Howell and Robbins agreed to wait, so Carroll Smith explained to the board about the tax suits—seven of 'em—that had been before the superior court since 1953 taxes were collected under protest from the three Wherry Housing projects, about a million $ deal, all in Camp Pendleton, and separate suits for each of the years 1953-54, 1954-55, 1955-56 and with another looming for 1956-57. A total of $262,824.34 in taxes has been paid under protest, and refunds of $61,524.89 have been ordered or agreed upon, providing that the 1956-57 computations are used for previous years. This last computation has been made according to law, Carroll said, and if the board agreed, the cases could be settled without another long-drawn out trial, and taking up days of the board's time. Mr. Requa said he had checked the computations carefully, that they are correct and according to law.

Supervisor Robbins, who has been deeply interested in the matter of the Wherry Housing projects taxes since 1953, expressed his gratification that the matter would be settled fairly, and that he was still on the board to see the amicable result accomplished. The matter went to the supreme court once and was remanded to superior court. The board voted to settle the suits as outlined above.

Carroll Smith had papers prepared and intended to file them with the court Tuesday p.m. He said he would get Delavan Dickson to figure the interest due on

Bollenbacher Tract to Get Helix District Water

The firm of Bollenbacher and Kelton, which proposes to build 1900 homes on a 500 acre tract they have recently acquired at Sweetwater and Jamacha Roads were advised Tuesday by the Helix Irrigation District that water would be furnished them if and when all legal steps had been taken for inclusion into the Helix District.

Robert E. Onley, representing the builders said a subdivision map was being prepared and firm commitment of water is one of the requirements by county officials.

All board members of Helix voted for the inclusion with the exception of Joseph Levikow who said the district faced rationing under a prolonged dry, hot season.

Other members argued that the alternative would be for Bollenbacher to annex his project to San Diego. This, they felt would make it almost mandatory for Lemon Grove to likewise annex.

Farm Zone Ordinances, Other Changes Proposed By Planning Commission

A new series of Planning Department farm zoning ordinances will undergo hearing at 10 a.m. Friday August 10th at the County Planning Commission, 310 Civic Center.

For about a year, the County Planning Department has been working with the Zoning Committee of the San Diego County Farm Bureau on a series of new farm zones which are "tailor-made" to fit requirements of our agricultural industry.

Such a series of new farm zones has been drafted and recommended to the County Planning Commission. It consists of four new zones — A-1, A-2, A-3 and A-4. Each allows all kinds of tree, vine and field crops, including flower growing, a family supply of poultry and livestock, horses, and low density cattle and sheep grazing, and all have lesser front and yard requirements than the present E-2 series of farm zones. In addition, the A-2 zone allows commercial poultry, the A-3 zone also allows dairies and other concentrations of livestock on issuance of a permit, and the A-4 allows all types of farm operations without a permit. Provision is made for 2, 4 and 8-acre minimum building sites in any A zone area where a 1 acre minimum is considered too small.

To make these new improved farm zones immediately available, it is proposed to reclassify all areas now in one of the existing farm zones to a corresponding new A zone.

Also, the Commission is considering some other improvements to the basic County Zoning Ordinance including, reduction of the required rear yard in the R-1 zone from 40 feet to 25 feet, redesignating as R-1-A the present small-lot, single family residential zones which are now called R-2-B and R-2-C, allowing chicken houses closer together than five feet, eliminating the rather confusing definitions of dairy", "hog ranch", "goat farm", "livestock raising or grazing", and "stock feeding ranch", and combining with the M-1 zone the present M-1-A zone which is identical with it.

Following this hearing, the Commission will recommend all or some of the above noted changes in the basic Zoning Ordinance to the Board of Supervisors. That Board will hold a public hearing on some later date before it adopts any of the recommended ordinance revisions.

'Whitey' Lillie Commits Suicide

Bethel "Whitey" Lillie, employee of the Rancho Lumber Co., Casa deo Oro, died at 5:30 a.m. Sunday and the body was sent to the Palm Mortuary, Escondido. He was at the Grossmont Hospital after attempting suicide last Monday, July 23.

The sheriff's report said Whitey used a 12 gauge shotgun and shot himself in the head. Detectives Robert Majors and Stan Strange of the San Diego sheriff's office investigated. They said the victim had been despondent, probably over money matters.

Lillie was first found about 8 a.m. Monday by Ross Leavitt, manager of the lumber company and Porter White. Leavitt said he thought Lillie had shot himself about 7 a.m.

Two ambulances received the call, the Martin Ambulance of El Cajon and the Spring Valley Fire Department ambulance.

Lillie's address is given as the Lloyd Hotel, San Diego. His wife resides there.

'Delinquent' Clerks Wear Fiesta Dresses Tuesdays and Fridays

The delinquent tax section of the auditor's department, where folks go to square up taxes they have neglected to pay in past tax-paying periods, presented a gay and Fiesta appearance on Tuesday.

Seven regular employees, men and women, and seven "seasonals," who are employed each year at this time to put the unpaid taxes on the index, so they may be readily located when the "delinquents" get their bills next November and find 1955 or some other year stamped in the little square on the face of their bill, to jog their memory. The "regulars" attend to current business in the office, while the "seasonals" take care of this year's delinquents, one at a time, lot or parcel by parcel. It's quite a job, and very important, as each lot of those listed in nine delinquent rolls has to be checked and entered.

I kinda' got off the track in the last paragraph. What I started to tell y'all about was the cooperation shown by all the employees of Doleres Jaques, chief clerk in delinquent tax section, in the matter of wearing Fiesta. All the employees wear the complete Fiesta costume Tuesdays and Fridays and will wear same on those days until Fiesta del Pacifico is a fond memory after August 18. Other days each employee will wear the conventional straight-brim black hat, with little tassles hung around the edge. Bill Wilson, a county employee for 25 years, weight 250 pounds and proud of it, agreed enthusiastically to the dress program. Being a big man, Bill has a big head (notice we said A, not the) and when one of the gals complained that her hat was too small, she traded with Bill and was satisfied. Fact is, the hats are all the same size.

Auditor Jack Perego has a chair to costume, white shirt, black vest, no pockets, with white spangled tie, which he wears afternoons only. Says it is too cool in the a.m.

Certainly is a nice sight to see the force dressed in bright colors, and shows the true Fiesta spirit. —D. H.

The Dimmer VIEW

By MAX GOODWIN

I was driving serenely down Broadway the other evening, enroute home when a joker in a hotrod whipped around my truck, tires squealing, horn blowing, yelling like a banshee.

Approximately 200 feet ahead of me he careened into a side street with more yelling and squealing, and disappeared.

It was one of those elderly, souped-up, drop-front Fords occupied by three youths whose individual ages appeared to be less than 20.

I also made a mental note of the license number and decided to give it to the State Highway Patrol with a complaint on the reckless and dangerous driving.

By the time I got home and looked up the telephone number I had cooled off enough to admit that I was completely frustrated by some of these modern day driving habits.

"If the State Highway Patrol hasn't brought these youthful terrorists under any sort of control," I reasoned, "what possible help would one more growl be?"

Desperation Shown

I recalled a conversation I had with Guy Daniels of Los Angeles earlier this summer. He is the patrol's safety education officer. He reported how desperately the patrol had been trying to get enough manpower to make our main roads and side streets safer for us and our families.

The patrol is cursed with one of those impossible things called a budgetary problem and this sort of thing is part of many of our governmental agencies.

It starts out with the patrol asking for enough men to keep pace with the traffic growth of the state. Legislators whack a big hunk off the budget. The following year the patrol asks for more men than they hope to get and the lawmakers whack off more from the budget than they would if all concerned were to be fair and honest.

I submit that the legislature's unreasonable attitude makes it necessary for the patrol to overbudget their needs and all this is a reprehensible thing. How can anyone, the patrol, the legislators, and mostly, the public, ever know what measuring stick to use for traffic service without an honest base from which to view the problem? It does seem, in a matter so grim as death and destruction, that we could be honest with one another. The alternative guide they now use is that of counting the maimed and the dead.

Borderline Infractions

It is reasonably possible to apprehend such miscreants as the youths in the careening auto if manpower enough were available. But no amount of officers can nail some of the psychopuths who indulge in the borderline infractions.

There's the guy who races ahead of you grabbing the right of way. He pretends he doesn't see you as you start to pass and he keeps his eyes blandly ahead all the time trodding his gas pedal hard enough to keep you in an outside lane. In a world where little men label themselves such by their own inadequacies, the gas pedal is his main claim to power.

There's the light non-dimmer. He's ahead of you on a dark night with his super-bright lights on. Cars approaching him flash the dimmer signal frantically. These signals, of course, blind you, but they seem to have no effect on the idiot ahead. I'd love to stick his tail pipe down his throat!

Uncertain Driver

You've seen the uncertain driver. It's often a woman. She's going to do "something" as she drags her hand lazily out the window. It's not exactly a turn signal but it isn't a stop signal either. Last year at a dinner party I asked six women to give all three arm signals. Would you believe that not one of the gracious and lovely half dozen gave all of them correctly? I didn't question the men. I'm sure they knew them.

Then there is the calculated risk driver. He ignores that blind spot 10 to 50 feet behind and to one side. He changes lanes smoothly after checking his rear view mirror. He always seems so surprised and sorry when a car in the blind area, headed the same direction, honks him back to his side. He shakes his head at himself, grinning, while muttering some words that look like he's apologizing. Accidents can

Coyotes Thought Responsible For Chicken Massacre In S.V.

Coyotes in large numbers are said to be causing havoc among Spring Valley chicken raisers' flocks, and complaint was made to State Rodent Control officers, asking for relief.

The State men promptly set out coyote traps, that grab the animal by a leg, but do not injure him or her, as the case may be.

The first trap was set near Rogers Road and Campo, and on Friday, two days after the trap was put out, the lady in whose yard the trap was set reported having caught in the trap: 1 stray dog, whose owner is away, leaving his home in cargo of a caretaker, together with the dog. The caretaker was notified and came and got the pooch. The next day the trap nabbed a cat, which was left two years ago when its folks moved away. The cat has been rustling its eats as best she could, with kind neighbors giving occasional hand-outs. She was released to resume her free life.

Friday morning a neighbor's little girl came running into her house, yelping "Mama, mama, there's a black and white kitty in the trap. Come quick!" So Mama ran out, took one look and let out a yell, "Sister, come here at once. That kitty is a skunk." The neighbors say they could have told her that about midnight, for the unpleasant odor of the skunk's defense plant had been in the air most of the night.

Friday morning a neighbor boy with a .22 rifle came to the trap and put a bullet thru the "Kitty's" head, and when the State man made his morning visit to his trap line he wrapped up the "remainder" and took them away for disposal.

We are told that residents of Mt. Helix complain of a multiplicity of coyotes in their aristocratic neighborhood. Maybe it is only one or two. You remember Mark Twain's story of the tenderfoot who reported a flock of coyotes near his camp and that just one of the animals was responsible for all the noise.

One lady, residing near where the trap was set, saw a pack of seven dogs, mostly large, running in a pack on Campo Road at the junction of Rogers Road. The dogs had their tongues hanging out and a guilty look. She thinks that stray or wandering canines are responsible for the depredations.

Vamos a ver (we shall see) as our friends below the line say.

Note:—Dog owners are warned to keep their pooches tied up or confined while the traps are set, as serious but not fatal harm could result if they happened to trip the trap. —D.H.

Young Lady Visits Kin in San Gabriel

Sally Jean Gardner, ten years old, of 4902 Rogers Road, Spring Valley, visited her aunt and uncle and three boy cousins last week in San Gabriel. She had a wonderful time, with bowling, golf and watching Little League ball games for entertainment. Sally is something of a tomboy, her mother says.

Her parents and brother and sisters went to San Gabriel Sunday and brought the young lady home.

Celebrating the return home of her big sister, Judy Gardner gave a birthday party to celebrated her seventh natal day on Monday evening. Eleven guests were invited, nine accepted, two were sick and sent regrets. All four Gardner children were present.

The young people had a grand time with games, lots of chocolate cake and lemonade, and all went home happy. Sally Jean, the big sister, said "she was awful glad she came home for the party."—D.H.

U. S. Aids Grossmont High School District By $59 Thousand

The Grossmont Union High School District has been awarded the sum of $59,585.00 for school operating funds pursuant to Public Law 874, Congressman James B. Utt (R 28th Dist) announced this week.

Schools which are heavily burdened by the impact of Federal installations in their area are eligible for financial assistance under this Public Law.

The amount certified for payment is determined from the tentative entitlement for the fiscal year computed on the basis of information and estimates contained in the application. The total entitlement for the school district for the fiscal year 1956 had been set at $66,205.84 of which the above amount has been certified for immediate payment. Additional payments will be subject to such adjustments as may be required by actual data and by the availability of funds in relation to total entitlements for financial assistance.

On June 30, just 14 years ago, Erwin Rommel came up to the Al Alemein line. He had, according to the records, just 12 tanks left in operation, after his offensive.

Mrs. Hesser at Miami U. Class Reunion

Mrs. Charles Hesser, wife of the local realtor, 8512 Golden Avenue, is attending a class reunion at Miami (Ohio) University. She graduated from the class of 1917.

Mr. Hesser will meet her in Lima, Ohio, where she is visiting with her sister, Mrs. Al Ware, on August 20. He will first attend the VFW encampment at Dallas for five days starting August 12.

YOUNGEST SET GETS FOUR NEW MEMBERS

Lemon Grove's "youngest set" enrolled four new members between June 25 thru July 11th, the new arrivals coming to the Grove via Grossmont Hospital.

Mr. and Mrs. David McKnight, 2425 Massachusetts st., welcomed a girl on June 27. The little lady weighted 6 lbs., 15½ oz., which is very close to 7 lbs., as you will no doubt agree.

Mr. and Mrs. Robert Ball, 2301 El Prado, are the happy parents of a girl weighing 6 lbs. 14 oz., born July 1st.

Mr. and Mrs. Harold Carter, 7470 Beryl, welcomed a girl baby weighing 7 lbs. 12 oz. on July 9th.

Mr. and Mrs. Robert Johnson, 7236 Waite Drive, on July 11th became the proud parents of a bouncing baby boy, weighing 7 lbs. 8½ oz.

These parents listed above don't have to allow 2½% shrinkage on these babies, and they start to gain weight right off. We wish some of these parents would send in a report of gains or losses in weight of their offspring. (We never had any youngsters at our house.) Items like "our Johnny weighed six pounds at birth a year ago, and now he tosses Daddy and he weighs 7 pounds. — D.H.

LETTERS TO THE EDITOR

Dear Editor:

Did you know your paper was being enjoyed in England?

We have been getting it for about a month now —as a birthday present from the Havens on New Jersey Ave. I used to live there for over three years and sure did hate to leave. I married and my husband was later sent to Washington. We have been in England since January, but sure do miss Lemon Grove. We now get to know what's going on there through the Review.

We haven't seen our name on the list of new readers yet. We live on 69 Trinity St., Gainsborough, Lincolnshire, England.

As the winter will be coming on with its cold, fog and snow, we'll be thinking of you lucky people in Lemon Grove.

Sincerely,
Mrs. Phyllis Mauseth
Gainsborough,
Lincolnshire, England

Dear Editor:

Because of the let-up in P.T.A. activities during the summer months, this note may seem to be coming a little late. However, I believe that all year round we are, at least to some extent, aware of either the happenings of the past year and the achievements we hope to accomplish.

I want to thank you for your great co-operation in the publicity for the Lemon Grove Junior High Parent-Teacher Association.

You were so very prompt in publishing all the articles. The one or two times you were not able to use the item immediately it appeared in the very next issue. Occasionally, I was caught a little short, and my copy was not all it could have been but you used it anyway.

Thanks again for all your help and consideration.

Lucille Mc Mahon,
Publicity Chairman,
Lemon Grove Jr. High P.T.A.

Dear Editor:

The Lemon Grove 4-H Club wishes to thank you and Mr. Dick Henderson for your co-operation and very great help in supporting our group.

We would also like to publicly thank the Kiwanis Club, Mr. Channing Mason, and Mr. Leland Whitted for their untiring efforts and support of our club.

Special thanks are also given to Louis Sonka who has spent so much of his time working with the members of our sheep group, and has given them such invaluable assistance.

Sincerely,
Lemon Grove 4-H
Pat Knapp, Secretary

Dear Editor:

Recently I had occasion to sample the services of the Grossmont Hospital during a three week stay and I feel that both you and your readers would be interested in knowing just how the institution functions without having to recur to first hand experience.

Everyone in the area has seen the wonderful product from the board of the famous architects Pereira & Luckman and I hardly need to add that it functions smoothly and efficiently. The competent staff combines harmonious teamwork with a generous measure of cheerful kindness and the soothing feeling of being among friends is heightened by the activities of the wonderful Pink Ladies of the Women's Auxiliary who are so pleasantly helpful and anticipate the patients' every wish.

Finally, there is the matter of food, the sour note in all institutions and especially in the average hospital. But not in Grossmont! Every meal was not only tasty but was attractively presented and each one was varied. I do not know five restaurants in San Diego that could do better.

I certainly am grateful for the treatment that I received and feel that the atmosphere that I have tried to describe was in a large measure responsible for the rapid healing of myself and fellow patients.

I hope that neither you or your gentle readers will require the services of a hospital, but if you ever do, then I suggest that you select Grossmont which is tops.

Wishing your newspaper the continued success that it so well deserves, I remain

Yours,
Hank Carr

Reader Carr formerly operated Carr's Hardware in the location now occupied by the U. S. National Bank. We surmise they removed Reader Carr's spleen. Usually he views public institutions and organizations as suspiciously as an editor we know.

Dear Editor:

We would like to extend our thanks and appreciation to your newspaper and you for finding the time and space to print the lovely poem our aunt composed for us during the recent loss of our son, Joseph E. Keebler. It was through your paper that we were able to share it with our many friends in the Vista La Mesa and Lemon Grove area, as we didn't receive it until after the services.

We would like to also express our thanks for the cooperation on the publicity of Cub Pack 315.

Sincerely,
Mr. and Mrs. Al Keebler
Nancy and Monty

be as fatal with an apology as without . . . and to me the grimness is not changed just because the other driver does it with a smile.

I suppose each driver could recite a dozen of these in-between examples of poor driving practices. The smarter driver recognizes derelictions of the other as part of the hazard of driving and does the thinking for the other driver as well.

I'll bet you a buck the other guy (the one who trusts you to do all his thinking on the deadly freeway) wouldn't trust you for a buck till payday!

On the other hand maybe he has a better appraisal of the value of his worth than you. Sad part is that he insists on making it a package deal. He's wrapped your property and your life in what otherwise might be a worthless package. For my money he's got to go.

FULL LENGTH COLOR PICTURE TO BE SCREENED AT BAPTIST CHURCH

PATENT LAW ASSOCIATION HEARS CONVAIR EXECUTIVE

Mr. Ralph G. Monsees, Assist. and Patent Director for Convair spoke to the San Diego Patent Law Association at its dinner meeting last week at the University Club.

The meeting was called to order by Judge Everett N. Curtis with committe reports given by George E. Pearson, Roy L. Knox, and Tom Gerlach. Following these reports, Mr. Monsees proceeded to give a generalized report on the 1956 Patent Law Institute held last month in New York City.

REV. FRED TAYLOR TO BE EPISCOPAL CHURCH RELIEF PREACHER

The recent campaign for additions to St. Philip's Episcopal Church was highly successful, and the new Sunday School rooms will soon be a reality.

Rev. Fred Taylor will be the supply priest during August while Rev. Philip Bartlet is on vacation. There will be no 11 A.M. service during August.

On Monday August 9th at 1:30 p.m. the Women's Auxiliary will have a workshop for the Christmas Fair. All women are cordially invited.

Festivities got underway at 1 p.m. with the gathering of some twelve dens of Scouts, various fathers and mothers, and a variety of brothers,sisters and family pooches. Ronald Denlinger proved the champ fisherman by furnishing his Dad with a fine fish dinner. Of course Pa had to clean and cook them. Hot dogs, hamburgers, beans, etc., were washed down with colas, ades, and juices. Swiming was excellent.

FORMER RESIDENT OF IOWA TAKEN HOME TO LAST RESTING PLACE

Mrs. Paulena Klitsch, who has been cared for in a rest home in El Cajon for the past two years, died July 14 and in compliance with her last wishes, was taken to her former home in Mason City, Iowa, by her son and daughter-in-law, Mr. and Mrs. Don H. Klitsch, 9031 Birch Street. Funeral services were held July 17. She was buried by the side of her husband in the family plot.

Mrs. Klitsch leaves five children, four boys and one girl.

Don and Frances had round trip tickets on the train, but Frances says three nights on a train this weather was all she could take, so they came home by air.

Sharon Ward Televised On Buffalo (N.Y.) Station

The James Ward family, 8165 Baldwin Road, have returned from a five weeks vacation in Buffalo. They visited relatives and renewed former acquaintances while there.

The family's youngest member, Sharon, 15, became a minor celebrity during the trip. She received six recordings while being interviewed on a Buffalo tv station.

Their trip created a crisis in the family of Joe Berendt, foreman of this newspaper's composing room. Joe's son Joey, age 4 attends the Jay-Tee Nursery School which is operated by the Wards at the Baldwin Street address, but with vacation over the situation is again normal.

While on vacation the Wards visited Grand Canyon, Glacier National Park and the Redwods.

CUB PACK 318 HAVE MEETING AT BEACH

Fun galore — that was the final score at th July Pack Meeting and Beach Picnic of Cub Scout Pack 318, sponsored by the Lemon Grove Congregational Church. The boys and their families met at Mission Beach where Cubmaster Bob Wilber and the committee set up tables and grill. Between dips in the bay, the boys and their families kept Committmen Earl Gable, Paul Menard, Cecil Skinner, Al Burke, and John Gomes busy passing out hot dogs, potato chips, watermelon and punch. Welcomed to join the fun of cub scouting as new Bobcats were: Jeff Yaddow, Bob Calkins, and Bob Ursillo. The pack was also happy to extend a welcoming hand to a new Den Mother of Den 6, Betty Newman, and her son Skipper, a transfer from Encanto. Norman Johnston of Den 2 was awarded his Bear Badge, and Bobby Wilber of Den 1, was awarded his Lion badge as well as a gold and a silver arrow.

Youth Center Now In "The Black"

By Marie Howell

At a meeting of the Control Board of Youth Center last month it was noted how well the County is cooperating in taking care of the building, painting outside and inside, and cleaning curtains, etc. Take a look as you pass by.

If any organization or group cares to rent the building for luncheon, parties, etc., please contact Faye Walsh, HO 6-5422.

Teen-agers may have dances any Sat. night, if properly supervised, small groups chaperoned by parents, or larger groups by organizations and clubs. Contact Mrs. Walsh.

The board tells us we are now in the black. One nice lady sends $1.00 per month to help out scouts who may not be able to pay. Send your donations to Mr. Paul Reynolds, Treas., Box 92, Lemon Grove.

Our thanks to Mr. Frank Armstrong, local attorney for all his wonderful contacts with the County, and results thereof.

WILL FLY TO NOVA SCOTIA ON VACATION

Mrs. Keith Bentley, 1737 Englewood Drive, Monterey Heights, (Christine to her girl friends) is anticipating much pleasure in her trip by air to Nova Scotia, her former home, leaving August 20 and flying to Boston, then a boat trip from Bar Harbor.

Christine will see her dad and mom after seven years' absence. She will be gone a month, then "back to work at L. G. Department Store."

You will note that she will not leave before la Fista del Pacifico is over.

Dinner Bell Opens New Dining Room

The Dinner Bell Cafe is having a formal opening Friday, Saturday and Sunday.

Actually it is not a brand new opening, but the opening of a new, enlarged dining room. The cafe, at 8125 Broadway, is owned and operated by a couple with the congenerous name of Coffey.

What's happened is this: Sis and Chuck Coffey opened a cafe a year ago in a wee building east of their present location. Facetiously, they prepared a sort of all-inclusive dinner-sandwich and called it the "Ptomaine Special." People flocked to it like Russians to caviar, so they had to move to a new, larger building. That was in January.

Popularity of the Dinner Bell and the Ptomaine Special continued to grow so they enlarged. Their new dining room is four times larger than the size of the building it occupied since January.

The new dining room seats 100 persons and has two separate entrances. More parking area than the 100 guests will ever need surrounds the cafe. A playground for children is being built to tie in with the cafe's policy of inviting parents to bring all their kids, as many as they have, as often as they wish.

During opening celebration this week corsages will be given to ladies and souvenirs to children.

The cafe will cater to clubs, groups and organizations, luncheons and dinners. The L. G. Chamber of Commerce has already booked the place for their August 7 meeting. The cafe will make a bid for the luncheon business of business women, the couple said. Another innovation is a charcoal broiler.

Coffey has acquired a huge dinner bell which is more than two feet in diameter. This is being installed in front of the cafe.

'ANDY' WINS A BOX OF 'MY SIN'

Andrew J. Canepa of 6567 MacArthur Drive has been awarded a gift box of "My Sin" perfume and cologe by KBIG as his prize in the listener contest being conducted by the Catalina Island radio station.

Canepa heard his name announced on the air in the daily drawing held by KBIG disc jockey for holders of the station "minor mermaid" automobile windshield stickers. He then qualified for his prize by contacting the station's Hollywood studios and answering correctly the question of the day.

Other regular prizes in the big contest include all-expense vacation trips for two to Acapulco, Las Vegas and Santa Barbara, dinners for two at the Hollywood Moulin Rouge, and Western Holly gas ranges.

LOCAL YOUTH COMPLETES MARINE TRAINING

SAN DIEGO (Spcl.)—Pvt. Edward J. Mouillesseaux, son of Mr. and Mrs. Eugene Mouillesseaux, 7921 Mt. Vernon, graduated from recruit training here at Marine Corps Recruit Depot, July 13. He will be sent to one of the many Marine specialist schools or to Advanced Combat Training at Camp Pendleton.

Prior to entering the Marine Corps in April, Pvt. Mouillesseaux was graduated from Helix High School, La Mesa, and was employed by the Miller Dairy, Lemon Grove.

A sufficient amount of political bunk can usually be transformed into a political berth.—Arkansas Gazette.

ANOTHER 6 FOR 1 DEAL IN BURGERS

Sid Zolot opened the Crown Drive-In Sandwich shop at 8251 Broadway, near Sweetwater, about six months ago.

One of the first things he discovered is that he could give food away a lot easier than he could sell it . . . not that he didn't sell plenty of it, too.

He tried a gimmick in which he gave six of his supreme burgers for $1, and/or a gallon of his special brand of creamy root beer for 59c. He was swamped with business.

For those who failed to take advantage of his offer earlier, he's trying it again this week. For those who did try it, they'll be back in force.

GROVE MAN SERVING IN KANSAS

FORT RILEY, Kan. (Spcl.)—PFC William F. Hooten, son of Mrs. Mable J. Birt, 1541 Taft St., is serving with the 1st Infantry Division's 16th Regiment at Fort Riley, Kan.

Hooten is a recoiless rifle gunner in the regiment's Company E. He entered the Army in April, 1954 and completed basic training at Fort Bliss, Tex.

Before entering the Army he was employed by the Southern Pacific Railroad in El Paso, Tex. He is the son of Charles F. Hooten, Indianapolis.

Businessman's Golf Tournaments Held At Flying Hills Course

Harry Post, manager of the Flying Hills Golf Course at Gillespie Field, has invited golfers in the Lemon Grove and Spring Valley areas to join in the weekly Thursday evening businessman's handicap tournaments being staged there.

Twenty eight golfers enjoyed the late afternoon event last week.

Persons having no regular handicap may participate in a separate tournament, staged under a special system which aims to provide each participant with a fair handicap, Post said. The entry fee to the tournament is 50 cents.

Belle from Fallbrook Visits Grandparents

Miss Bobbie Turnbull, 16, a Junior at Fallbrook High School, spent a happy and helpful week with her grandparents, Mr. and Mrs. Ollie Turnbull, 1145 Sweetwater Avenue. Her papa and mumma came down Saturday and hauled her home Sunday.

Ed Turnbull, Bobbie's papa, is a civilian machinist at Camp Pendleton, in charge of repairs to tanks and guns and other war materials.

Ollie Turnbull is progressing slowly on his way back to good health. Says he is like Ike, "feels good but not too much strength." His son took him downtown and Ollie walked five blocks and got pretty tired. He is scheduled for an examination, electro cardiograph and other treatments that physicians use to determine a heart patient's progress towards good health. Ollie is his usual cheerful self, sits or lies on the "chaise longue" which he made himself — it has rubber tired wheels at one end and handles at the other, and a comfortable mattress, and the head can be raised—enjoys the sunshine and shade, reads and rests. We hope he will feel strong enough to come back to work soon, but it may take a couple of months' more rest.

Bobbie's visit was a strong tonic to both grandparents, and Grandma wanted her to stay longer. Mebbe Bob will come down again before school starts up.—D. H.

Lady from Weeping Water Visiting Daughter in Lemon Grove

Mrs. Harley K. Thurslund of 3880 Bass Street, in the Grove, is happy to have as her guests her mother, Mrs. C. K. Gibson, from Weeping Water, Nebraska, and her aunt, Miss Amana Hiatt, who hails from Lincoln, the city made famous by William Jennings Bryan, "the Boy Orator of the Platte" who ran for president three times after his famous "Cross of Gold" speech, but never made the grade. He was secretary of state in Woodrow Wilson's cabinet.

We know many more items about William Jennings, but this story is about some other nice people from Nebraska (an Indian appellation signifying "water valley.")

Budget Is To Be Discussed At V.L.M. P.-T.A. Meet

Budget and finance for Vista La Mesa Parent-Teacher Association will be discussed at the home of Mrs. J. H. Brage, 4168 Charles St., Wednesday at 10:30 a.m.

Mrs. Brage, budget and finance chairman, believes an early meeting of her committee is essential to start a successful season. The officers and chairman of the unit will be asked for an estimate of expenses so that a budget can be drawn up for the year.

Assisting on the committee will be: Mrs. R. T. Bullock, president; Clarence Allen, principal; Mrs. H. J. Cowles, Treasurer; and Mrs. C. A. Jackson, ways and means chairman.

Mr. and Mrs. Charles E. Goff of 340 E. Washington, El Cajon, proudly announce the 8 lb. 11 oz. bundle from heaven, by way of La Mesa Community Hospital. The baby, a boy, is the first for the young couple. The happy grandparents are Mr. and Mrs. J. E. Goff, former residents of Lemon Grove, and Mr. and Mrs. Phillip Huggins of 7967 Imperial, Lemon Grove.

Little Charles is the first grandchild for Mr. and Mrs. Huggins.

Little League Baseball To Start In Lemon Grove

Lemon Grove residents, approximately 70 have organized Little League baseball in Lemon Grove and named William Allen president. Mrs. Isabelle McCrae chairman of finance, Mrs. Paul Lower, chairman of field procurement, and Mrs. William Allen, chairman of publicity.

Allen, in the meeting at Friendship Hall pointing out the advantages of Little League play was followed by a question and answer period, with Mr. Frank Armstrong as moderator.

Preston Hawk, president of the National Little League of La Mesa, related experiences they had in La Mesa with four major and eight minor league teams in support.

Seventeen prospective coaches have already volunteered. The major problem at the moment is location of a suitable site.

Next meeting is scheduled for San Miguel School in mid August.

Couple Takes Anniversary Trip East

Sam and Minnie Kahn, they are the operators of Popular Liquor and Delicatessen, on Broadway, have returned from a trip east to mark their 39th wedding anniversary.

During the six weeks they were gone they visited in St. Louis, New York, the Catskills, Grossinger, Albuquerque, and Las Vegas.

"We made a few bucks at the crap table," Mrs. Kahn said. To cap the climax Mrs. Kahn marked her 60th anniversary on July 28th.

Coronado Publisher To Address Local Demos

C. K. Williams, newly elected chairman of the Democratic County Central Committee, will address the Lemon Grove Democratic Club at its next regular meeting, Thursday, August 2, 8 p.m. The meeting will be held in the home of Mr. and Mrs. Bert Betts, 8145 Palm Street. Mr. Williams will outline the advance preparations and plans for the forthcoming general election campaign, of which the party's county committee is officially in charge. The club's president, Sumner Alpert, will preside.

Mr. Williams, who is editor and publisher of the Coronado Journal, was elected to the county committee in the June primaries by Lemon Grove's own supervisorial district, the second. He has just completed two years as one of the 30th Congressional District's two vice chairmen of the Democratic State Central Committee. He played a prominent part in the recent successful campaign to elect California's Stevenson delegation, and is himself an alternate member of that delegation, now preparing to attend the Democratic National Convention which starts in Chicago on August 13.

A question and answer period will follow Mr. Williams' talk. The meeting will be an informal one, and is open to all interested persons at no cost. Refreshments will be served. If wishing to attend, call Mr. Ted Nachtigall (JU 2-2104) or Mrs. Betts (H[illegible] 6-7857).

Chan Mason and Family Gone to Montana

Chan Mason and his family left last week for McLeod, Montana, to fish and eat fish and beans for three weeks, if the fish hold out. They expect to go to the same region they visited last year, when they were accompanied by Tom Warburton and his family. This year the Warburtons made other plans, so the Mason menage decided to repeat all by themselves.

Chan delights in camping and fishing, and his boys Mark, 12, and Pete, 13, are fond of the same things and enjoy learning the tricks of trout from their father. We expect to hear about two or three big ones that got away when the party returns, about August 15.

As the little boy said, "We can't hardly wait to hear the 'Fishing Trip Story.'"—D. H.

Those who are not now appreciating the summer's fresh fruits and vegetables are missing both choice eating and winter memories.

Volunteers Needed For Success Drive Says Wigton

An urgent call for all residents of Lemon Grove to serve as United Success Drive campaign volunteers was issued by Tom Wigton, Heartland Area chairman for the fall drive.

He urged all persons with a few spare hours to pitch in and help raise the $2,300,000 United Success goal that is needed to support more than sixty health, welfare and recreation services throughout the county.

Volunteers are needed to work in all phases of the campaign, he reported. "We especially need top-notch women in the Geographic Division who will campaign all places of residence and all firms or businesses with less than five employees within the city of Lemon Grove," he said.

"Many more persons are needed," he added, "to serve in the Commerce and Industry group of the Heartland Division as well as those to campaign in the Public Employees group."

Volunteers for the central headquarters should call ACademy 3-7191 and those volunteering for the Lemon Grove area may pick up recruitment cards at the REVIEW office, 7834 Lester Avenue, Lemon Grove.

Wigton pointed out that this is the largest campaign, both in amount and territory ever conduced in this county. "It will require the support of every one of us to make it suesssful," he said.

WE HAD THE NUMBER WRONG

Last week was not a happy week for us. In addition to the normal errors we got a wrong telephone number in the advertisement of John Michael's Hair Stylists.

The number we listed turned out to be the residence of Mrs. Neil Lawhead, a very sweet and personable lady who lives at 2721 Corona.

She is also very cooperative. She said she would tell anyone who phoned for an appointment the right number for John Michaels. The correct number, incidentally, is HO 6-4343.

Rainbow Girls Plan Spaghetti Dinner

The Lemon Grove Assembly for Rainbow Girls is going to have a spaghetti dinner Sunday, August 12. It will be at the Lemon Grove VFW Hall at the corner of Lincoln and Imperial.

Serving will take place between the hours of 2 p.m. to 4 p.m.

Tickets may be bought at the door. Adults, $1.25; children 75c. For any further information regarding the dinner phone Jacqueline Lairsey, HO 6-2840.

FOOTPRINT BETRAY THIEVES

FORT WORTH, Texas — Railroad special agent L. R. Troxell had no trouble tracking down four men who broke into a box car and stole a number of straw hats. The floor of the box car was covered with white lime and Troxell just followed the white footprints to a nearby hobo jungle and arrested four men wearing new straw hats.

Square Dance News

The fun and laughter of another successful party night for the Lemon Eighters had scarcely died away, when we were neck deep in plans for another party: the Lemon Eighters Annual Pool Party. This comes off with a big splash on Friday evening, at La Mesa Pool. There'll be a potluck supper, square dancing and swimming, all added up to make one wonderful evening.

At our Fiesta this past Thursday evening, Stan Bryan had an opportunity to rest his vocal cords, so plentiful were the guest callers, who were more than willing to take over Stan's chores.

Our guest club of the evening, the Thunderbirds, were there in good number. Their caller, Sylvia Conkle, called the steps for two fast whirls. Also there to give out with such wonderful calling, we 'most forgot the heat, were Tommy Ashton, of the Lariats, Bill Keller, Frontier Squares, Helen and Pete Mighetto, Four Leaf Clovers, and Don and Juan Franks, of the newly formed Tumbleweeds.

PAINTINGS TO HANG AT FLOWER SHOW

Foothills Art Association will have an exhibit of paintings, done by their members, at the Flower Show to be held in the Elementary School at the corner of Date and Orange Sts. in La Mesa August 11 and 12, Sat. and Sun. Mrs. Venus Smith will be in charge of the exhibit.

VISTA RESIDENTS WANT TREES SAVED

A petition signed by 958 residents of Vista was presented to the board of supervisor by Dean Howell asking that the group of eight sycamore trees in the heart of the town of Vista be NOT removed when contemplated street improvements are made. It may take a couple of shotguns to keep the trees safe, especially if some lineman thinks they are a menace to the wires.

Men's Club Meets, No Guest Speaker, So Every Member Takes A Shot At The Job

Friday noon meeting of Lemon Grove Men's Club was attended by 20 members who picked their choice of what the menu offered and seemed to enjoy the food and the conversation.

Henry Goldy announced that Union Headquarters for Bartenders and Waitresses had sent out a call for 25 bartenders to work Saturday night at Hotel del Coronado, also 25 waitresses, to serve Governors and other guests at the Governors' Ball. Henry implied that more than 25 bartenders would be needed. Club members laughed.

Of the 20 members present, three wore coats, the rest of the gentlemen being more comfortably attired in sport shirts of various hues and colors.

Dr. Frank Giglotti discoursed on Italian wines, told of bringing back a case of Chianti for a friend who asked him to, and the friend paid the customs duty. Further Dr. Frank told of a La Mesa lady, advanced in years, whose physician recommended a glass of light wine with her meals, to correct a stomach ailment. The lady told the Doctor, "No, I am a member of the W.C.T.U. and never touch alcohol. I take a tonic every day that keeps me in shape." Asked what the tonic was, she said "PERUNA" Dr. Frank says Peruna has about 90% alcohol. The boys laughed some more.

Emmett Marshall, who makes floors and nails 'em down says his firm does most of the laying in town — was introduced and became a member, and got his card from Secretary Barwick.

Roy Donahoo, plastering contractor of La Mesa, who has been plastering for 38 years, according to Andy Anderson, was introduced and became a member. He got a card, too, though it took Ken Barwick three cards to get his name spelled right. The "HOO" is correct. Roy explained that his folks were "lace curtain Irish." It's the "shanty Irish" that spell the name with final HUE.

Vic Murrell was introduced by his friend, Ken Barwick. Vic runs an eating place in San Diego, he seemed to enjoy his lunch. They say all cooks like to eat another's cookin' occasionally.

Postmaster Frenchy Faucher told of a recent experience he had with a bum check. A lady came into the P.O., bought Money Orders totaling $339, and tendered a Navy allotment check for $475, which was accepted and change given. In a few days the $475 check came back, with a note explaining that the check had been raised from $275.

The Postmaster got busy, called up the F.B.I. who refused to handle the matter, as they have nothing to do with raised checks issued by Uncle Sam. Other branches, including the Navy, refused for the same reason. Finally the Secret Service and a Postal Inspector took over, located the check passer, she confessed and Faucher got a re-issued check for $475. The woman agreed to make up the $200 difference, and Faucher was greatly relieved to be rid of the matter.

Then ensued [illegible] which led nowhere.

It was suggested that the matter of improving [illegible] ing Broadway seemed for state of innocuous desuetude Harry Griffen be invited to his committee and his oppo to the second meeting follow (Aug. 9th) and see if this important matter can be settled. Jackson Ammons will also be requested to be present. Jackson is said to head the opposition to the proposed widening. He wants the Couty to do it.

'DOXIES' TO COMPETE THIS MONTH

The San Diego Dachshund Club is holding their Second Annual Specialty Show with the Silver Bay Kennel Club of San Diego. It will be unbenched in Balboa Park, Sunday, August 26. The judge will be S. J. Twinging from Los Angeles. Everyone is urged to show their Doxies and for entries contact Virginia Neill, HO 9-7135, before August 14.

NOTICE OF ... TION FEE ... ANNEXATI... ROAD T... CENTER

(Continued)

NOTICE ... that was due the ... that, pursu... payers for overpay... 719, of the ... to the An... special e...27 ... to be ... Attorney Don Keller Augustle matter to present to hereinred and asked their in- ed to for a few minutes, as he La case in court in the after- and could not be present at e afternoon session. Again Dave ird asked the other boys if they minded staying their hunger a trifle, and again the boys sighed resignedly and nodded agree- ment, so Don told about having his tail in a crack again, with Coroner Gallagher arrested and threatened with a $300 fine 'cause he wouldn't bring some official paper into court, and if Gallagher was arrested he, Kel- ler, would have to defend him, and Sheriff Bert Strand would be involved and Keller couldn't jump the fence and defend Bert, so Don asked the board to ap- point an attorney to defend Strand, and suggested that John Holt would do, and that a total fee of $500 would be about right, with $250 for appearance in court and $25 per hour for gathering data, and the board set the total fee at $500. (Seems like the DA could appoint one of his deputies to take care of Strand. The same law will be used by the extra lawyer. Remember how Clif Fitzgerald got in to protect Art Eddy? We never did hear how much Fitzgerald's fee totaled but $1250 or $1500 was the starter and $250 a day extra. I'll bet John Holt would get a guy a divorce for $500, neebbe less, if his client was kinda short fi- nancially.)

Five letters from director of public welfare recommending de- nial of "petitions for freedom from responsibility" for the sup- port of father or mother, recipi- ents of old age security, were considered. Seems like these guys don't want to help take care of their aged parents. Since the ini- tials only are given, and it is impossible to get any information from the welfare, we can't give names, but we recommend that these men seeking relief from responsibility study the Chinese and their reverence for their par- ents and grandparents, and adopt a different attitude. Think back over the years when their par- ents cared for them and turned the weekly or monthly check over to the grocer so they could eat. I am told that there would be lots of lifted eyebrows if a list, giving names and dates and amount of financial worth of these guys trying to get off the hook, were published. Take a look at the auditor's report of amount of money, taxpayers' money, that is, is paid to wel- fare. (Remember, this is just my personal feeling in the matter, and I don't want Max Goodwin threatened with a libel suit.)

More Welfare

Item 7 on the agenda—the di- rector of public welfare advises that efforts to collect the fol- lowing accounts have not been successful and recommends that they be assigned to a private col- lection agency for collection:

G. E., son of G. K. E., recipient of old age security, $44.69, and G. W. F., relative of J. M. F., recipient of old age security, $95.71.

Letter from state division of highways recommending the granting of a permit to Ralph Slaughter for the erection of a temporary asphalt plant and a rock-crushing plant to produce pavement mix in El Cajon; stat- ing that the proposed plant would be placed on the property of F. H. Walker on Lot 2, Blk. 5, Rho El Cajon, at Santee. The letter was ordered filed, as no request from Slaughter for a permit had been received. (City of El Cajon wrote a letter to the board last week asking that a permit be not granted, and that the City of El Cajon had refused such request from Slaughter. (Slaugh- ter should see Si Casady, and get Si to fix things.)

Request of assistant superin- tendent of Edgemoor that the fol- lowing items be accepted and added to his capital property in- ventory:

One chrome walker and one metal wheel chair, inventory val- ue $215.58, donated by the Social Order of Beaucerant, San Diego Assembly No. 67.

One shampoo chair, inventory value $15, donated by the Eagles Auxiliary No. 244.

Two wheel chairs, inventory value $30, donated by the China Club, San Diego.

Letter from assessor requesting authorization to send six mem- bers of his appraisal staff to Uni- versity of California from August 6 to August 18, 1956, to partici- pate in courses offered by Amer- ican Institute of Real Estate Ap- praisers; stating that funds in amount of $510 for training and $657.30 for travel, have been budgeted for this purpose and that his department has been par- ticipating in this program for the past three years. Are the boys comin' home every night, or only once a week? Gosh, that's $100 apiece for their gas and oil.

Letter from L. L. Harris com- plaining of "burdensome taxa- tion," requesting further changes in the assessor's department, and expressing the opinion that the department of public welfare re- quires too much tax money be- cause of poor administration.

Letter from United States De- partment of Agriculture, Forest Service, submitting and request- ing execution of a cooperative agreement for fire protection service to be provided to the county in return for the deposit by the county of the sum of $8,000 for the fiscal year 1956- 57. (Approved by county coun- sel.)

Department of public works submits and recommends accept- ance of three sewer easements in favor of Spring Valley Sani- tation District, also four subordi- nation agreements executed in favor of the same district.

Request of Mrs. Effie A. Good- en that consideration be given to the improvement of that por- tion of North Avenue in Lemon Grove which is not being im- proved by the state in connection with the freeway, and that stop lights be installed at the inter- section of Massachusetts and Broadway in Lemon Grove.
